## **Registered Nurses Certified as Wound Care Specialists**

**Eau Claire** - Dove Healthcare-South is pleased to announce Director of Nursing Jan Hayden, RN and Nurse Case Manager Christyn Gulotta, RN have recently earned a nationally accredited wound care certification® (WCC®), from the National Alliance of Wound Care®. This certification reflects a higher level of demonstrated knowledge in the area of wound care.

Administrator Jake Steivang said, "Jan and Christyn's advanced training and education will improve the wound-related outcomes for our patients and ensure they are receiving the highest standard of would care available."

A skilled nursing facility established in 2009 with 50 private rooms, Dove Healthcare-South specializes in rehabilitation after surgery, injury or illness. For more information, visit <http://south.dovehealthcare.com/> or call 715-552-1035.
