**THANK YOU** CHIPPEWA VALLEY FOR YOUR SUPPORT!

**Dove Healthcare**  
South Location

Dove Healthcare-South has experienced tremendous growth and success since opening day on September 14, 2009.

As a short-term rehabilitation facility with an acute focus on helping patients return home as quickly as possible, we value our partnerships with the Chippewa Valley community.

As we approach our 5 year milestone, we recognize this momentum is due in part to your support and trust.

**Thank you!**
